

Weobley to Eardisley - 7 1/2 miles

Overview

Leaving black and white Herefordshire village of Weobley, path is through fields, meadows, woods, and orchards with good views over the countryside. Several stiles and footbridges. Some road walking but mostly on footpaths following the Wyche Way to Eardisley. Easy walk with a little climbing in places.

Route

Leave village, heading towards the Industrial Area and the A4112, walking for 3/4 miles. At main road, cross and turn left on road verge towards Kington (A44). At left hand bend, turn right onto footpath marked Wyche Way (VB) Walk up field to metal kissing gate, continue to cross field, with ditch on right, to minor road.

Turn right up minor road. At the brow of the hill, take footpath on the left by The Riddox (WW and VB signs). Walk across top of field with hedge on right, to stile, cross and then walk with hedge to right towards opening. Go through gap towards kissing gate onto road.

Turn right, for 1/4 mile. Turn left at entrance to The Birches Farm. Over stile into field. Turn right to footbridge, then diagonally to metal gate (WW). Cross to edge of wood to a metal gate (FP). Go ahead, keeping road on left. Through metal gate, then diagonally right to edge of wood. Turn corner, walk along with wood on left. Through metal gate to double gate. Go through then over stile on right with a bench.

Walk with hedge on right to road. Over stile on opposite side of road (VB). Through metal gate (WW) to stile ahead. Turn left (FP sign) down field, hedge on left to pair of metal steps. By two ancient oaks, turn left and cross field to metal gate in dip (WW). Over wooden footbridge to main road. (WW).

Cross road, enter wooded path (VB) to wooden gate into field. Cut across corner of field to right. Over wooden footbridge and stile. Walk up field, with hedge on right to small metal gate (WW). Where two footpaths cross, go ahead, keeping hedge on right and over gate onto road. Turn left.

Walk through Logaston Common Farm (VB). Take path on right of tree. Follow Vaughan Way. Cross footbridge. Walk with orchard on right and hedge on left. (VB). The over wooden footbridge. Go ahead, keeping ditch on right to further wooden footbridge. Go straight ahead through orchard (VB) At track, turn right and then through farm yard. Turn

left to high carved wooden post "The Ancient Parkland has gone.". Turn right to farm buildings, turn left up track (VB)
Straight up track to new barn building complex at Lower Newton Farm.

Cross road (FP) (VB) Turn right along field margin to gate, then cross field to gate to the left of the house. Through kissing gate, then cross track to further kissing gate (VB). Down hill to metal gate in hedge. Go straight through pear trees to stile. Down field with hedge on left. Over stile (FP). Cross down field to wooden footbridge. Walk towards hedge, then walk down it with hedge on left and stream. At bottom, turn right to stile (FP). Cross meadow to metal gate to left of single tree. Cross meadow to single small gate straight ahead. Then straight ahead to footbridge (VB). Through metal gate on left. Go straight ahead into village down path with caravan park on left. At road, turn left to church.
